THE HOLY BIBLE

of

Stephen Hook, 1780 - 1856
and his wife
Ann. S. Grantt. 1780 - 1816

This old Bible, now much deteriorated, is a possession of Dr. Cecil Rhodes Hook of Melrose, Florida. Dr. Hook, a direct descendant of Stephen and Ann S. (Grant) Hook, graciously loaned it to this writer who engaged the official photographer at Yale University to make photostatic copies, shown herein, of the family data appearing in it. This work was done June 9 and 10, 1952.

The title page and all fly leaves of the old Book are gone but since there was a title page preceding the "New Testament" section at page 835, the latter was photostated and is shown herein.

The first page now in the old Book is number 1, (Genesis), and the last is number 1064, (Index). All earlier and later pages and fly leaves are missing.

The Book's contents are as follows:

"Old Testament", 674 pages
"Table of offices and conditions of men", one page, 675
"A chronological index of the years and times", one page, 676
Marriage, Birth and Death records, 4 pages, 677, 678, 679, 680
"Apocrypha", pages, 681 to 834 inclusive.
"Title page to the New Testament", one page, 835
"New Testament", pages, 835 - 1046, inclusive
"Judea, Palestine, or the Holy Land", pages 1047 and 1048
"An index to the Holy Bible or an account of the most notable passages in the Books of the Old and New Testaments", pages 1049 to 1064, inclusive. - Very likely there once were more pages of this index but page 1064 is the last now in the book.

The title of the "New Testament" section appears in the Book on page 835. As the photostatic copy of this title page shows, the Bible was "Printed and Published in 1815 by M. Carey, No. 121, Chestnut Street, Philadelphia".

The Bible was returned to Dr. Cecil R. Hook, Melrose, Florida, Wednesday June 11, 1952 by first class, registered mail.
